OR GO TO:  
**www.401kxpress.com**

Not FDIC Insured • May Lose Value • No Bank Guarantee

Here's how you get started

To access your account information you must first establish a 6- to 12-digit personal identification number (PIN). You can set up (or change) your PIN by phone at 800-294-401k or online at [www.401kxpress.com](http://www.401kxpress.com). Your PIN will be the same for both the phone and Internet, and it ensures the security of your information. No one can access your account without it. So remember to keep your PIN in a safe place!

Here's what you can do

Access

- > your account balances
- > your current investment elections
- > your account statement online<sup>2</sup>
- > current prices and yields
- > your transaction history
- > pending exchanges between investment options<sup>3</sup>
- > loan information (if applicable)

Change

- > the amount invested in each investment option<sup>3</sup>
  - > how you invest future contributions
  - > deferral amounts (if applicable)
- Note: You will receive a confirmation of any changes you make to your account.

Request

- > preapproved loans and/or withdrawals (if applicable)
- > Plan-sponsor approved automated loans and/or withdrawals (if applicable)
- > prospectuses

Plan

- > your personal savings needs
- > your asset allocation strategy
- > your strategy with investment educational materials
